If you believe that this email is suspicious, please forward to phishing@dc.gov for additional analysis by OCTO Security Operations Center (SOC).

Please attach to case 20612 for the Board to review

1. The neighbor 649 attached to 647 is not worried about any shade issues. The husband-and-wife owners reviewed the information and via email and sent me an email stating that they are ok with whatever shade may be. Please see attachment.
- 2.
3. The 2nd attachment is where I contacted the ANC to let them know about a schedule mix up and I asked to participate in April meeting I originally asked for instead of the March meeting on 3/16/22. I did not hear from the ANC for 27 days and sent a follow up email on 4/12/22.
- 4.
5. I received an email from the ANC on 4/16/22 where they asked me to push my hearing back a 2nd time in order for me to participate in there meeting tonight and I have not received a response as of yet. Please see attachment.
